

Washington, D.C. – Congressman Sanford D. Bishop, Jr. released the following statement in response to the recent earthquake in Haiti:

“On behalf of the Second Congressional District of Georgia, my thoughts and prayers are with the people of Haiti who are suffering from an unspeakable tragedy in the wake of Tuesday’s earthquake. The total scale of the devastation and loss of life is at this time immeasurable, but the outpouring of support from our country and from countries around the world has been remarkable. We must continue to come together as a world community to aid the people of Haiti who have lost so much.”

Americans seeking information about relatives in Haiti should contact the State Department Operations Center at 1-888-407-4747..
